MUSKY TOURNAMENT RULES – 2021

Entry fee(s) and registration form due to MLA by May 28, 2021 – Be sure to enter your phone number and email address on the attached form(s) in order to receive confirmation of payment.

There will be a scoreboard on the MLA website (www.mercerlake.org) to keep track of the length in inches of muskies caught, as well as date and time caught.

The Musky Tournament starts May 28, 2021, at 6:00 a.m. and runs thru Friday, September 3, 2021, 8:00 p.m.

Participants must be a Mercer Lake Association Member, related to or affiliated with a member. If a participant is not 18 years of age you must have written permission from a parent or guardian and be accompanied by an adult. Wisconsin residents who are 16 years old or older need a fishing license to fish in any waters of the state.

Winner will be determined by the total number of inches of Musky caught throughout the dates and times listed above. One point will be awarded for every inch of musky length up to 39 inches and 2 points will be awarded for every inch over 39 inches (rounded down to the nearest inch). This will ensure that legal fish 40 inches and above have a better chance of winning.

Tournament ends at 8:00 p.m. on Friday, September 3rd. This is the day before the MLA Bass Tournament which begins September 4th, 2021 and ends September 5th, 2021, in order to give anglers the opportunity to fish in both tournaments.

All muskies must be registered on the MLA website scoreboard by Midnight September 3rd, 2021.

There will be a cash prize for the winner, amount to be determined based on number of entries. A commemorative plaque will also be provided to the winner. In the event of a tie, a coin toss will determine the winner.

Results will be posted at www.mercerlake.org and prizes awarded after September 4th.

MLA will receive 50% of the entry fees to be used for future fish management. In the event there are no winners, MLA will receive 100% of the fees collected.

Trolling and suckers allowed, Wisconsin fishing rules and regulations will apply.

All data collected will be shared with local Fish Biologists.

This is a catch and release tournament. Photos encouraged, as we would like to post to the website and Facebook.

The honor system applies when recording the length of fish and date/time caught. Please use sportsman-like conduct at all times.
